<p>Teaching Assistant hours for intervention groups.</p> <p>Each teacher from years 1-6 scrutinises their pupil progress data and identifies groups of children that are not making progress or are not on track to meet their targets in reading, writing or maths. Groups of up to 6 children are then formed and planned for appropriately. These intervention sessions are then delivered to the groups of children by the classroom teaching assistant during guided reading time 4 times a week (the 5<sup>th</sup> sessions is their designated reading time). Other interventions may be planned and taught during target time lessons too. These groups are helping children to close the gaps and make progress towards their targets.</p>	<b>£24,339.04</b>	<b>£32,342.07</b>	<p>Percentage of children achieving their intervention group targets.</p> <p>Year 1 – 66%</p> <p>Year 2 - 77%</p> <p>Year 3 - 65%</p> <p>Year 4 – 64%</p> <p>Year 5 – 60%</p> <p>Year 6 – 77%</p>	<p>Yes</p> <p>Interventions have been effective in closing gaps and supporting learning. However, this year these groups will also include elements of pre teaching which has proven to be extremely successful in preparing children for new work to be carried out.</p>
<p>Intervention Teaching</p> <p>Groups of children are identified for intervention teaching through analysis of school data. Teachers identify groups of children that are not making expected progress or are not on track to meet their end of year targets. These sessions are then taught before or after school as extra lessons for the targeted individuals and groups. The intervention teachers are staff currently working in school with children of the appropriate level. All teachers are good/outstanding practitioners providing high quality interventions for these groups of children.</p>	<b>£12,104.56</b>	<b>£7,228.37</b>	<p><u>Morning groups for SPAG and Maths</u></p> <p>91% of children taking part in these groups achieved their targets.</p>	<p>Yes</p> <p>The focussed time that these children receive enables them to make very good progress and the end the year in line with their peers.</p>

<p><b>Family Support</b></p> <p>A Family Support Advisor has been employed by the school to work in a range of different ways.</p> <ol style="list-style-type: none"> <li>1. <p>School Uniform Vouchers</p> <p>Children will be given £58.00 towards school uniform for the year. These vouchers will be able to be exchanged at the school office for any items of school uniform.</p>	<b>£2,500.00</b>	<b>£630.50</b>	<p>These vouchers allow Pupil Premium children to have items of school uniform carrying the school logo. This has been seen to visually raise self-esteem. When children have new uniform items in line with their peers they show a great pride in their appearance which reflects on their wellbeing.</p>	<p>Yes</p> <p>This measure allows children to feel included and raises self-esteem. This funding also encourages parents to sign up for FSM funding as they see this as a real support to them and their children.</p>
<p>After School Club</p> <p>This club will be made available after school as wrap around care for all children. Pupil Premium children will be able to attend the club for free like the breakfast club facility. Snacks, games and supervision are all included in the sessions.</p>	<b>£23,964.00</b>	<b>£24,983.53</b>	<p><u>Attendance at After School Club</u></p> <p>64% of children attending After School Club were Pupil Premium and benefitted from the after school experiences available.</p>	<p>Yes</p> <p>High attendance figures show that these sessions provide a valuable resource for parents and allow the children to socialise with their peers.</p>
<p>Speech and Language</p> <p>We have allocated funding to enable an experienced TA to carry out speech and language work with children who have been identified with barriers to communication. Children are set targets and tasks in liaison with the speech and language specialist and these programmes are carried out in short individual sessions throughout the week.</p>	<b>£3,944.40</b>	<b>£5,961.28</b>	<p>All children have made good progress achieving their speech and language targets. On average children have achieved 3 of their speech and language targets and 3 children have been discharged as a result of making such good progress.</p>	<p>No</p> <p>This year speech and language support will take place in the classroom and will be carried out by teaching assistants within interventions.</p>
<p>Peer Coaching</p> <p>Teachers work alongside a coach to observe each other in the classroom and look at the opportunities that are provided for Pupil Premium children in each class. From this teachers and the coach discuss how provision could be improved.</p>	<b>£560.00</b>		<p>Peer Coaching sessions did not take place this year.</p>	<p>Yes</p> <p>A very valuable opportunity for teachers to address their practice with pupil premium children and their class as a whole.</p>

<p>Therapeutic Support</p> <p>An opportunity for some children to work with professionals from outside agencies to support their wellbeing.</p>	<b>£2,500.00</b>	<b>£825.00</b>	<p>These sessions have primarily supported the children in their social and emotional health. They have also enabled the children to feel settled and happy in the school environment which also supports their academic progress.</p>	<p>Yes</p> <p>This is still proving to be much needed support for our children. Some sessions are continuing into next year.</p>
<p>Mathletics Club</p> <p>The school is now using Mathletics to support children with maths skills. This system is also being used to set maths tasks which can be accessed at home.</p> <p>The school is currently running an after school club for children who are finding it difficult to access Mathletics at home. The children use the school laptops and are supported by teaching assistants who use the programme in the classroom.</p>	<b>£500.00</b>	<b>£53.07</b>	<p>This facility supported a small number of Pupil Premium children to access the online maths program and work through their online homework supported by an adult.</p>	<p>No</p> <p>The school is no longer using the Mathletics programme and so this intervention is no longer necessary.</p>
