

Pupil Premium Barriers to Learning

The main barriers to our Pupil Premium children are listed below with the strategies that we are currently using to address them. Further information of how the Pupil Premium funding is spent is detailed below in the impact statement.

Barrier	Actions
Attendance	Breakfast Club After School Club Attendance Trophies Relevant agency involvement including EWO Attendance Letters
Wellbeing, confidence, enrichment and engagement	School Family Support Worker Therapeutic Support Lunch Club Sessions Uniform Vouchers School Trips School Residential Trips
Communication and Language	Quality First Teaching Speech and Language sessions
Academic Progress and Achievement	Quality First Teaching Daily Intervention Groups Early Morning Teaching Sessions Peer Coaching
Homework	Mathletics Club Lunch Club

The senior leadership team work with class teachers on a termly basis to analyse data and discuss the needs of the Pupil Premium children in their class and year group. Using this information intervention groups and strategies are put in place to best support the children during this period of time. These interventions are reviewed and adjusted at the next meeting. Pupil Premium meetings are also held termly with governors to discuss the impact of the interventions.
