Rule

Starting School

A Day in Reception
at Callington Primary School

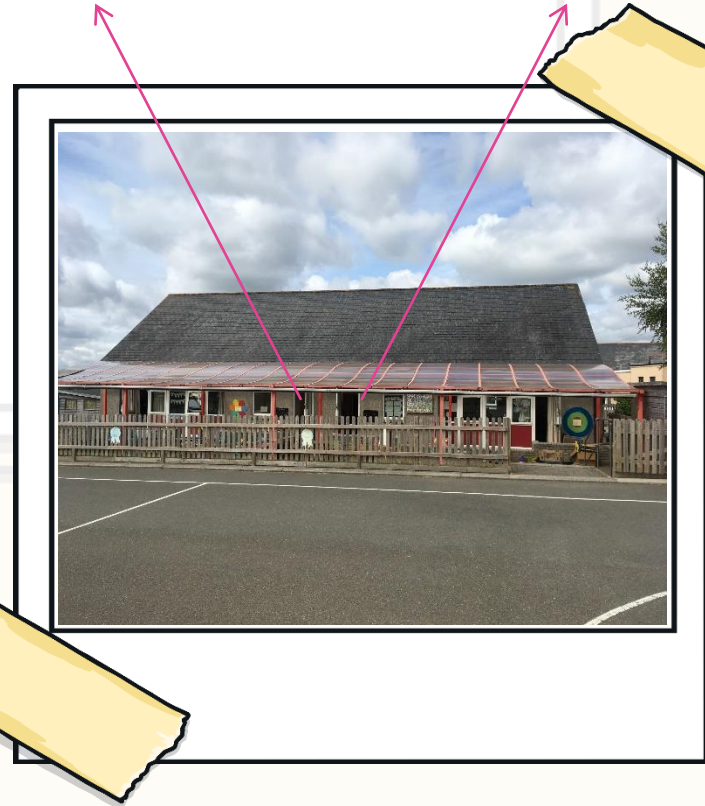

Red 2 Door

Red 1 Door

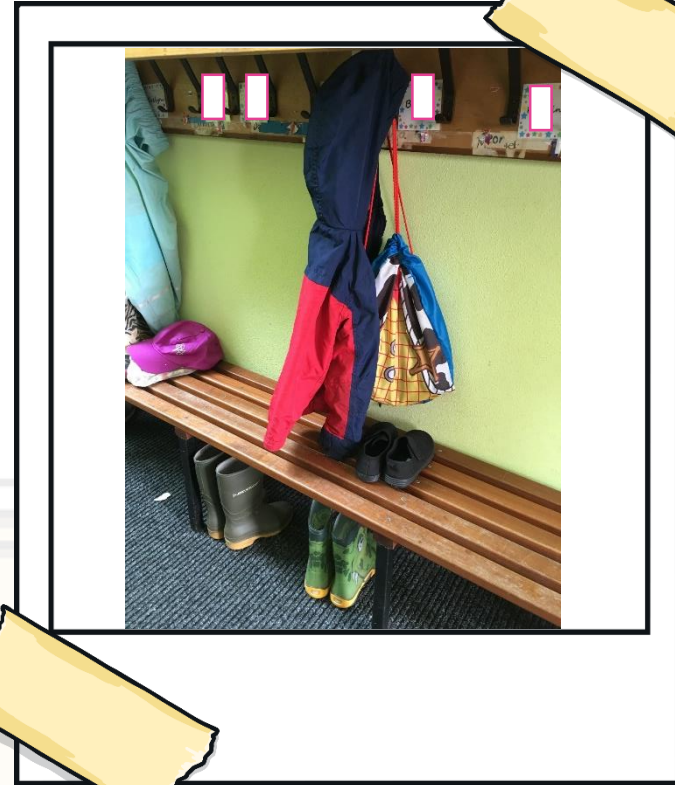

Good morning!
When you come to school in the morning,
you will walk through the playground
and find your classroom door.

Adults will be there to help you to come
into school feeling brave and happy.

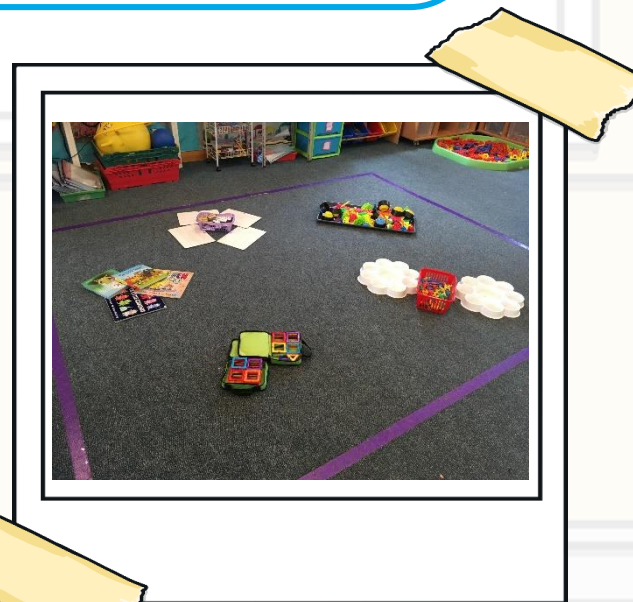

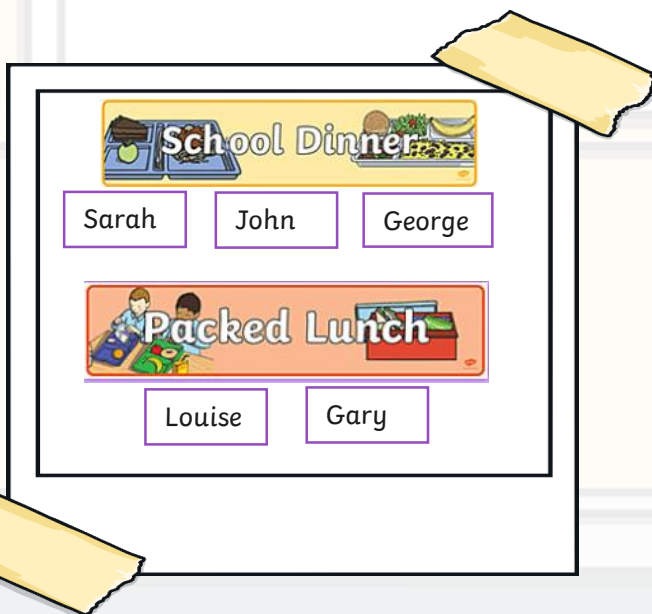

You will need to take off your coat and bag and hang it on your peg when you come into the classroom. Each child in our class has their own peg. You can put your wellies under the bench.

You will take your book bag into the classroom.

You will put your book bag in your draw. Your draw will have your name on.

Our next job is to put our name card into the school dinners or packed lunch tray. Then we all play on the carpet until the bell rings at 8:55am. We do a team tidy and sit for the register to see who is here today.

After the register, we plan what we will do for our 'Busy Bees' time. There are lots of things for you to explore inside and outside – let's take a look!

In the classroom, there are lots of things for you to explore and help you with your learning.

There are lots of fun things for you to explore outside too.

On some days, we go outside to the playground to do the Daily Mile.

After our morning learning time, it is lunchtime. You can have school dinners in the canteen or packed lunches in the hall.

There are lots of people to help you at lunchtime.

Then, it's time for some more learning fun! Will you play inside or outside?

Just before it is time to go home, we sit together on the carpet and talk about all the fun things we have done.

We always have a story or sing some songs too.

When it is home time, we put on our coats and collect the things we need to take home. Your parent or carer will come and collect you at the door.

Phew! What busy days we have at Callington Primary School. We are looking forward to seeing you soon and we can't wait to show you around our classroom.
