We might inform someone if we were concerned about your safety but we would usually speak to you first. Messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply within 48 hours and you should get an immediate reply to confirm we have received your text. **Texts will not be seen outside working hours.** If you need help before you hear back from us contact your GP, nearest walk-in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (not including messages from landlines, international numbers and some mobile apps). To prevent Chat Health from sending messages to you, text STOP to our number. Messages charged at your usual rates.
