Whole School this year

Dear Parents and Carers,

Another week has flown by and we get nearer to the end of a busy term.

Thank you to the parents and carers who were able to attend the phonics information meeting on Tuesday with Miss Parker and Miss Southcott. Phonics is a key ingredient in learning to read and promote the development of early reading. This is made even more impactful when supported at home regularly. If you were unable to attend the meeting and require the information that was shared, please do email the school office.

Two classes this week have had the exciting opportunity to go to the An Daras Trust Woodland Centre where they have been accessing some exciting forest school activities. Judging by the creations and head gear on their return to school, both Green 2 and Orange 1 had a fantastic experience.

We are building up to our Harvest assembly and would be grateful for any donations of any tinned and longlife items you may be able to send in with your child. Please can we ask that nothing perishable is sent in and thank you in advance for your kind support.

If your child or anyone you know has a child starting school in Reception in September 25, we are holding an Open Day full of exciting opportunities for prospective children and parents/carers on Tuesday 22nd October from 10am to 11.30am. If you would like an opportunity to visit, please call the school office to book a space.

We hope that you and your families have a peaceful and relaxing weekend.

Best wishes,
