Cornwall's SEND offer: <http://fis.cornwall.gov.uk/Synergyweb/CornwallFIS/sendlocaloffer.aspx>

At Callington Primary school we are committed to providing a valued education ensuring we give each child equal opportunities to develop:

- Self-esteem, patience and understanding of our own and other's needs.
- A reasoned set of personal attitudes, values and beliefs and respect of the beliefs and morals of others.
- The ability to work independently and as part of a team.
- Qualities of empathy, imagination and a sense of wonder.
- A lifelong love of learning.

We develop these skills through quality first teaching in all classrooms. Staff plan stimulating, interactive and fun lessons; we work outdoors when we can.

Whole School Approach to Teaching and Learning:

- High Quality Teaching and Learning – All teachers are responsible for the learning and progress of every child in their class, including those with SEND
- An inclusive, differentiated and personalised approach to enable all learners, including those with SEND, to engage with all aspects of school life. Ensuring reasonable adjustments have been made to increase access to the curriculum and the environment.
- Please refer to our Teaching and Learning Policy for more details

Our Graduated Response for Learners:

- Continual monitoring of the quality of teaching
- Identification of individuals who require support to catch up; addressing their short-term barriers to learning; monitoring and tracking their progress.
- Identification of children whose needs are additional and different and who require SEN Support; placement on the School's Record of Need; initiation of "assess, plan, do, review" cycle.
- Consideration of application for Education, Health and Care Plan.

- All children/young people identified as requiring SEN Support, or with an Education, Health and Care Plan (EHCP) are on our Record of Need

How we identify children/young people that need additional or different provision:

- Class teacher refers concerns to SENDCO through adaptations plans and ongoing discussion.
- Ongoing curriculum assessments
- Termly tracking progress using data
- Further assessments by SENDCO and, where appropriate, by external agencies

We take a holistic approach by considering all aspects of a child’s development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEN, is set out in our School Offer. Our measures to prevent bullying can be seen in our Anti-bullying policy. Our measures to keep all children, including children with SEND, safe are outlined in our Safeguarding Policy.

Partnerships with other schools and how we manage transitions:

We have worked with a number of schools in the area in the following ways:

- Transition to Senior Schools
- Transition into Reception Class from Callington nursey and other Independent Nurseries
- Transition into Callington Primary School from other schools

We ensured that the transition from Nursery to Reception was smooth by regular communications, including visits, between relevant school staff, the feeder Nurseries and parents. For all year groups, the relevant school staff met to share information regarding all individual pupils during the Summer term. Some pupils on the RON had additional transition support for preparation to move into the next class. The transition of year 6 to senior schools was supported through the sharing of information between the Year 6 teacher and the schools’ SENDCOs. Pupils with SEND made additional visits to the schools. Parents were included in this process wherever possible.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEND Development Plan.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should contact our SENDCO, Samantha Brooks or the Headteachers in the first instance. If unsatisfied with the outcome, contact should be made with the SEN Governor. This year we received 0 formal complaints with regard to SEN support and provision.
